

Subject Access Request Guidance

Please read before filling in the Subject Access Request Form

In order to help us identify and locate your personal data, please be as specific as possible when describing both the information you believe may exist and its possible sources. Making a request such as *'I require all information that RATP Dev Transit London holds about me'* will in most circumstances, mean that we are unable to provide you with your personal information. Data protection legislation allows us to ask you for further clarification where appropriate; and we will not be able to begin processing your request until that clarification has been provided.

What I must complete

Sections 1, 2, 3, and 4 should be completed for all applications.

Sections 5 to 9 (Representative Details and Authority to Release Information to a Representative) should only be completed if the application is being made by a representative (i.e. someone other than the data subject themselves, including the guardian of a child under 16 years old).

Section 3 (Proof of the applicant's identity) - If you do not have any of the forms of identity listed, we may in exceptional circumstances accept alternatives for consideration. However, you should know that if you cannot provide us with satisfactory proof of identity, your application will be rejected.

This form is designed to assist you in making a subject access and, as a consequence, it may speed up the process; but it is not mandatory, all subject access requests made in other formats will also be processed using the same guidelines.

What information will help with the processing of my subject access request?

Identification of relevant records will be easier if you can provide any references issued by RATP Dev Transit London (or *London United Busways Ltd, London Sovereign Ltd, London Transit Limited, RATP Dev Transit London Ltd, RATP Dev UK Limited*). For example, you should explain:

- What you are requesting. This may include a description of the purpose for which your personal information is being processed by us, the format it is held in, etc;
- Who may hold the information, for example: a specific garage, a service provider or an individual employee;
- The approximate dates between which relevant material was created (eg between 10 June and 5 August 2023).
- A specific document: If you think your personal information may appear in a specific document (or set of documents), please provide as much information as you can about it and if possible, the date of creation of each document and its format (eg a paper copy, a Word document saved on a shared drive, on a CD Rom, or a CCTV footage etc).
- Requesting CCTV footage: If you think your personal information may appear in footage captured by our CCTV cameras, please provide as much information as you can about:
 - The relevant date, location and approximate time;
 - A description of what is happening in the footage;

- A detailed description of what you were wearing/carrying at the time;
- A recent full-length colour photograph of yourself.

Please note: a CCTV footage is normally retained for a period of 12 days.

What information does RATP Dev Transit London hold?

Each of the companies within the group of RATP Dev Transit London holds information relevant to the conduct of its business which will include, but not be restricted to, staff administration, advertising, marketing, public relations, financial records, crime prevention and research. However, some data may have been reviewed and destroyed where appropriate in accordance with our information retention policies.

How long will it take to get my data?

Once we are satisfied that you meet the criteria for disclosure of data under the UK Data Protection Act 2018 (as amended), and have provided sufficient information, you should receive a response within one month from the date that we accept your application for processing.

Records may be held in several different locations in paper and electronic formats. If you only require specific information and you clearly state what that is – for example a specific paper document or IT-only data – then you are likely to get a quicker disclosure.

The form includes a section for giving details if you need a disclosure by a certain date. No guarantee can be given that a disclosure will be completed by that date but we will endeavour to comply with reasonable requests for expedited action.

General Notes

1. We will not acknowledge your application in writing but we will provide you with a reference number when we write to you.
2. When we process information requests for children aged 16 or over and spouses, we require their signature of authority before disclosing data. A separate application form should be completed for each individual. **Sections 5, 6 and 7 should be completed by a parent/guardian for a child under 16.**
3. We do not provide access to personal data via a secure self-service system, therefore all requests for access to personal data must be submitted using the procedures outlined in this document.
4. **We will not disclose information by fax or telephone. Disclosure by post is usually made by first class post to the address you provide in section 1 or, if appropriate, to your representative named in section 5.**
5. We will make every reasonable effort to respond to electronically received requests in a commonly used electronic format, however where this is not possible (e.g. CCTV footage) we reserve the right to provide the data in another format.
